“Growing through learning”

From the Principal

2024 Prep Transition

Our 2024 Prep Transitions commence as of Friday 27th October and we are looking forward to welcoming them into our community. Our first session kicks off at 9.15am with others to follow throughout term 4 to help ensure the transition is as smooth as possible for these young people (and families).

Community Pantry

Our community pantry is open everyday. Parents and carers can come along and pick up some food items. We have a variety of breakfast staples including long life milk, cereals, soups, rice dishes and fruit. Food Bank generously supply our Breakfast Club program and they are supplying our community pantry. All families will need to do is bring their own bags. We can order food hamper boxes and parents can pick one up from the community pantry. If this service would benefit your family please enquire at the office. There is no charge, and we are thrilled that we can extend this support to our school community.

Labelled Personal Property

Our lost property is located in our sick bay. If your child loses clothing or lunchboxes these items will find their way there. Please make sure your child's name is clearly labelled and we'll do our best to return them to the rightful owner. At the moment, there is a large number of unclaimed jumpers. Please pop in to take a look. Any items that cannot be identified will be sold at our next second hand uniform sale.

New Enrolments 2024

We are now taking enrolments for Prep next year. If you have younger siblings starting school next year, please could you hand in your enrolment form as soon as possible. This would be greatly appreciated. Also, if you have friends or family that have students for foundation next year ask them to call the office and book a tour.

Have a great weekend,

Penelope Harris
